Dear John and all Chamber members & staff,

**Christmas Lunch 10th December 2015**

With so much thanks to you and all the Chamber members and staff for your continued support for Comitato Fiori di Lavanda.

We are so grateful that you raised a fantastic € 1.910,00 which will be used towards our ongoing research project sending Italian researchers to work with researchers in the U.K.

My thanks again for your support and generosity.
